Stanley Rother, a 46-year-old Roman Catholic priest who was shot to death on July 28 in the rectory of his mission in Santiago Atitlan, Guatemala. According to the Rev. David Monaghan, a spokesman for the Oklahoma City diocese, which sponsors the mission, Father Rother "learned in mid-January that he was targeted for death and left Guatemala for about three months." He returned on April 11. This letter, written to a friend of Father Rother in Oklahoma City, was made available by William L. But while the Israeli coup nearly doubled Israel's missile-equipped naval force and contributed materially to its victory over the Egyptian and Syrian navies in October 1973, the Iranian operation was merely a publicity stunt. Even with the delivery of all three of the missile boats that were in the convoy - and which were handed over by France without their American-made missiles - much of the Iranian Navy may soon be fit only for mothballs.
